Re: Availability of the Final EIR for the Foothill College Master Plan Project State Clearinghouse #2007091014

The Foothill De Anza Community College District (District) prepared a Draft Environmental Impact Report (DEIR) (State Clearinghouse No. 2007091014) for the Foothill College Facilities Master Plan. The Draft EIR was distributed for a 45-day public review period by the District on August 27, 2008. The comment period on the Draft EIR ended on October 10, 2008.

The District has evaluated the comments received on the DEIR. The responses to the comments are included in a Final EIR, which can be reviewed on the Foothill De Anza College District website located at <http://www.fhda.edu/>. A copy of the Final EIR is also available at the District Offices, 12345 El Monte Road, Los Altos Hills, CA 94022-4599.

The District Board of Trustees has reviewed the Draft and Final EIR (which constitute the EIR) and will certify the EIR and approve the Foothill College Facilities Master Plan project at their Monday, December 1, 2008 Board of Trustees Meeting.

For additional information, please contact Charles Allen at (650) 949-6150.
